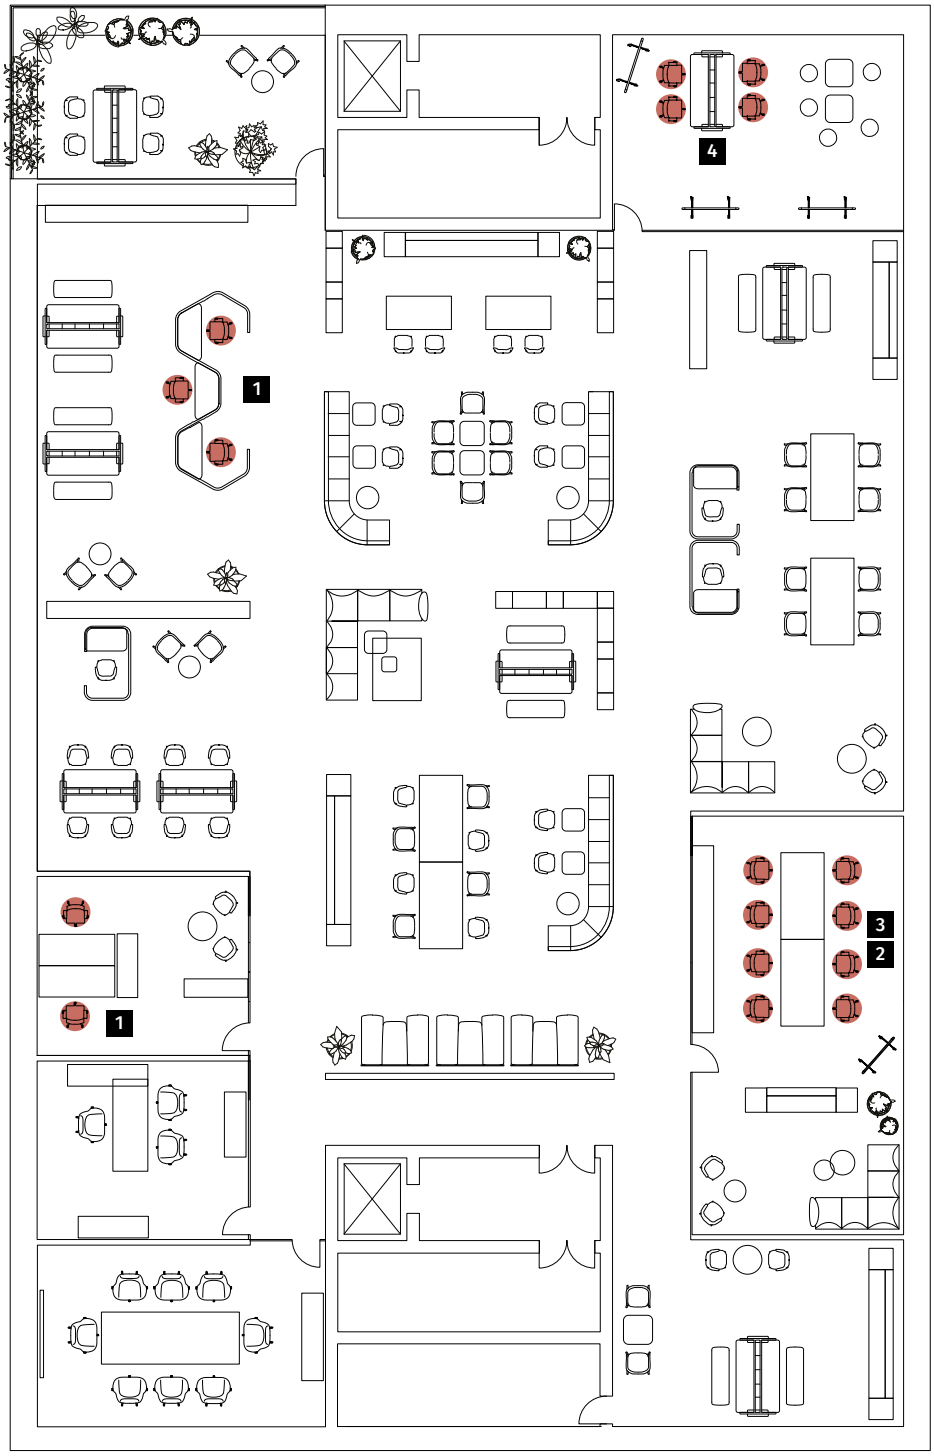
The quarterback enters its next chapter and presents itself in new splendour: with quarterback 2, Sedus continues the success story of its tried and tested office swivel chair and brings an update that perfectly connects tradition & innovation. Its striking, angular design still stands and continues to make it the ideal choice for office environments. At the same time, quarterback 2 becomes a versatile, configurable all-rounder that adapts flexibly to individual needs. Whether in a territorial workspace, in the home office or for touchdown workplaces – quarterback 2 impresses with its ergonomic comfort, ten membrane colours and an automatic weight system, making it ideal for modern workplaces. This makes quarterback 2 an indispensable part of any office interior – versatile, comfortable and timeless.



Application areas

1 Spaces for individual work

2 Desk-sharing team workstations

3 Bench workplaces

4 Meeting & seminar rooms

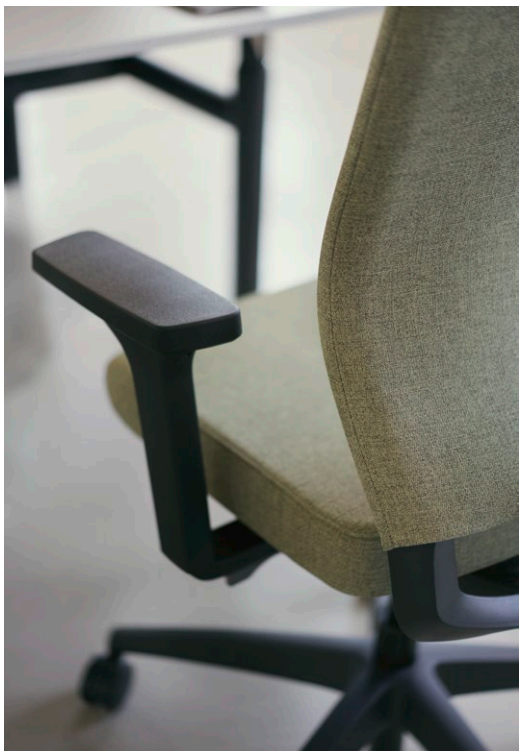
Home office

quarterback 2

quarterback 2
The modular system of the quarterback 2 makes individual configurability possible, making it ideally suited to the application situation and range of use. It still stands as a timeless classic with an elegant backrest and a striking, angular design.

quarterback 2

Swivel chair for productive well-being



The swivel chair meets high standards of ergonomics, offering seamless operation and effortless adjustment to accommodate different users in the workplace. It impresses with its comfortable seating and simple, timeless design. A variety of possible applications and ergonomic features help to create a comfortable working environment. With its modular system, quarterback 2 enables flexible adaptation to individual requirements and supports future-oriented, sustainable office planning that caters to individual needs.

Advantages

- quarterback 2 is suitable for many users and areas of application.
- Individual components can be exchanged quickly and easily.
- The chair impresses thanks to its excellent price-performance ratio.

Features

- The chair fulfils DIN EN 1335:2023 Type A, the current standard with regard to ergonomic requirements and diversity of users.
- The swivel chair is suitable for a user weight of up to 150 kg.
- quarterback 2 has been tested for a 15-year durability period according to Sedus quality standards.
- The warranty is 5 years and the individual components are replaceable.
- The lumbar support can be adjusted in height and/or depth.
- Thanks to the wide range of Sedus cover materials, corporate identity, for example, can be achieved.

Options/accessories

- quarterback 2 can be supported with an air-permeable membrane or a comfortable padded back.
- The following “Similar” mechanism options are available (always in black): with automatic weight adjustment and automatic seat tilt (also for light users) or with individual weight adjustment with/without seat tilt adjustment for territorial areas of use.
- The ComfortSwitch option enhances the “Similar” mechanism and adds automatic weight adjustment with a comfort mode. It offers two settings – soft and firm – for personalised fine-tuning of the backrest.
- Seat height adjustment: Sedo Lift III mechanism can be selected between a gas spring (also for the counter version with foot ring with a seat height of 630-880 mm) and the Sedo Lift III mechanism.

sedustainable

quarterback 2 is sustainable.

Social responsibility

- quarterback 2 fits the 3rd to 99th percentile and up to 150 kg user weight – without visual demarcation.

Economy

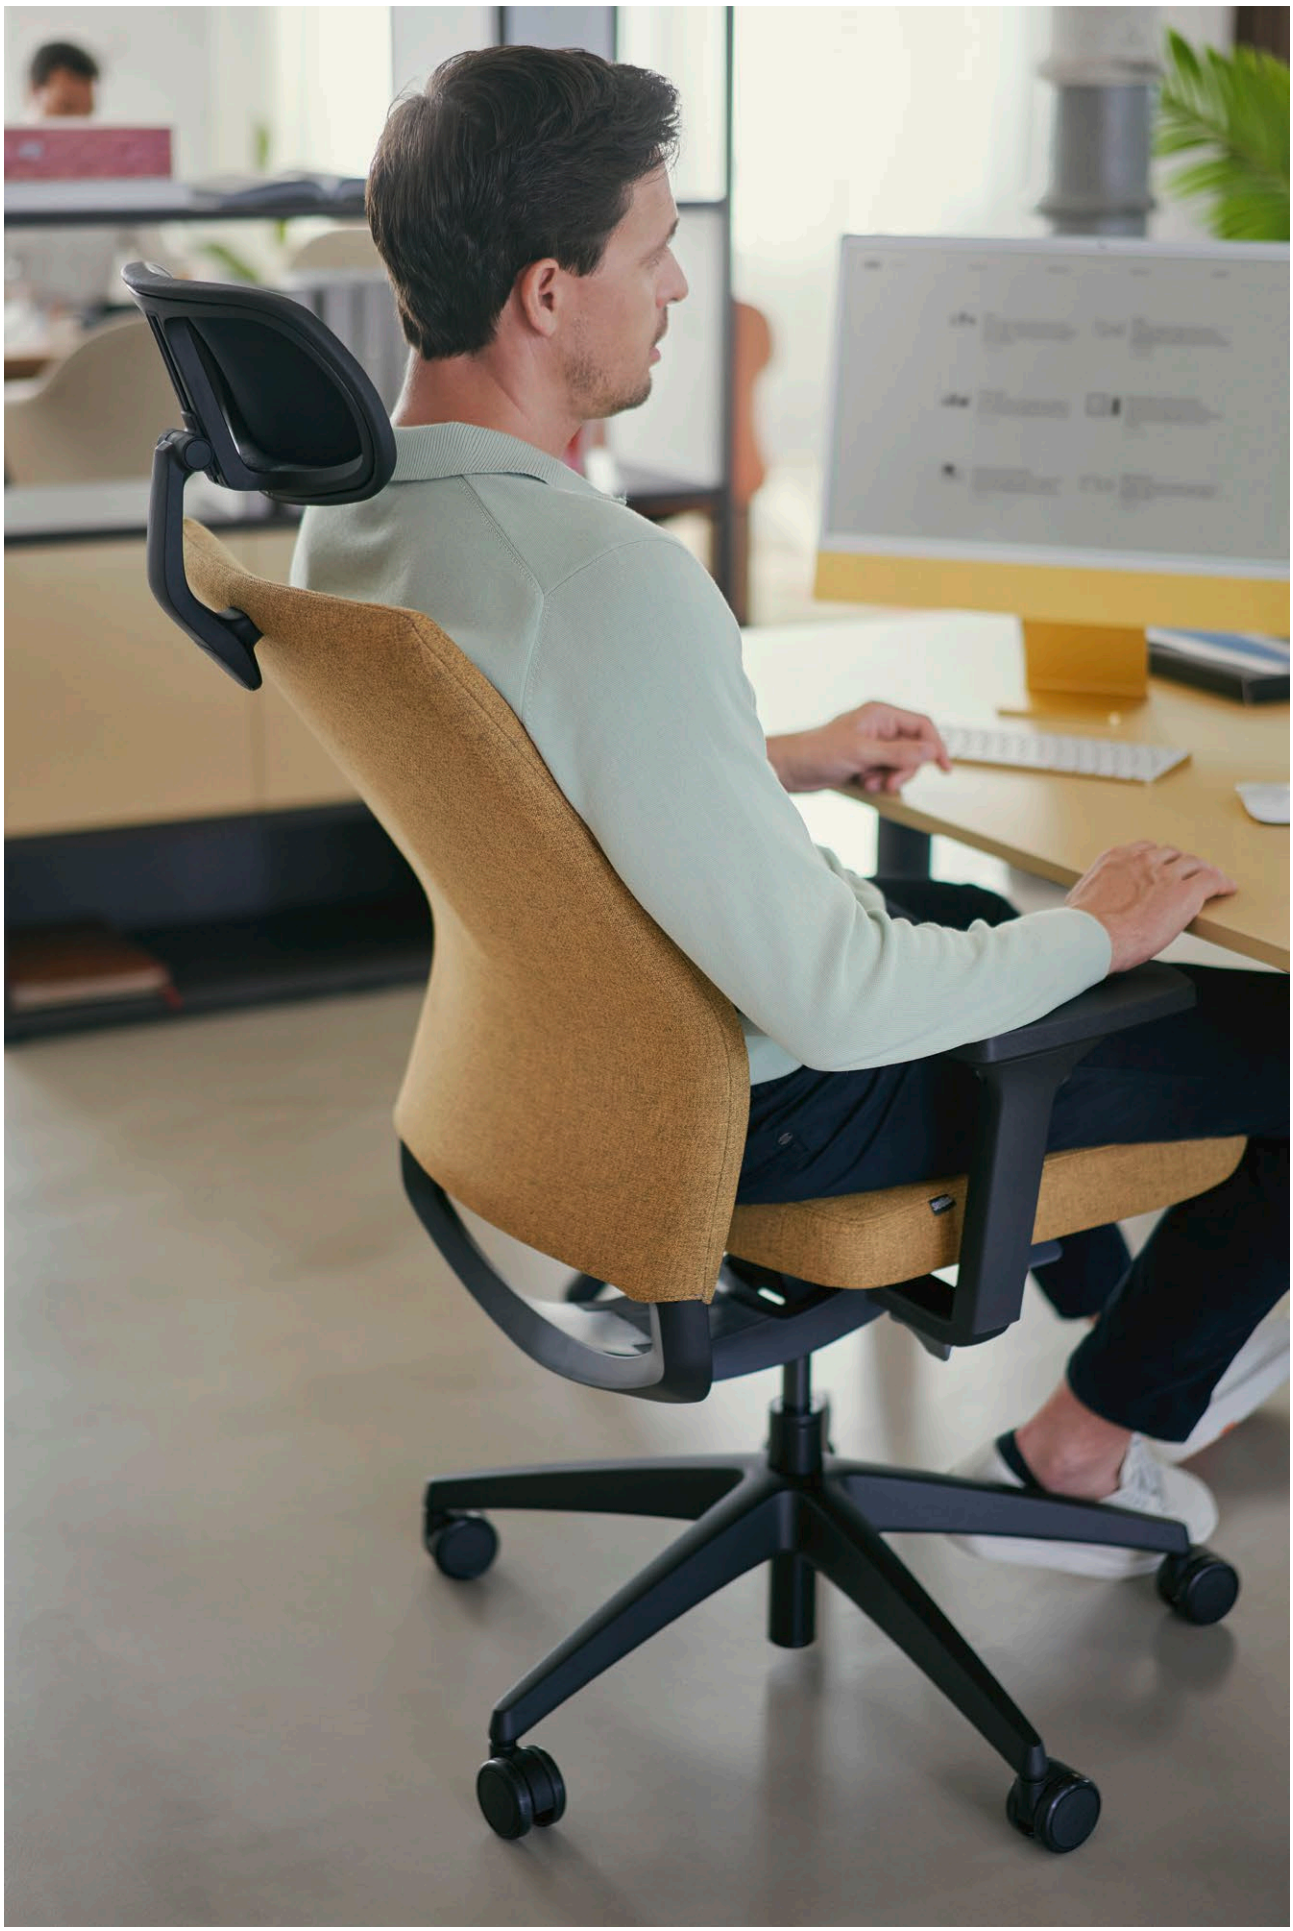
- The chair fulfils DIN EN 1335:2023 Type A (ergonomic requirements and user diversity).

Ecology

- Cover materials are not glued.
- quarterback 2 has very good recyclability.

Sedus pursues a holistic approach to sustainability based on the three pillars of social, ecology and economy. The goal of becoming CO_2-neutral at its administrative and production sites by 2025 is actively supported through the development of innovative products and efficient production methods. Sedus is also committed to social projects, education and health through two foundations to which the company is majority-owned, thus making a positive contribution to society. With the “Sedustainable” initiative, Sedus designs holistic workplace solutions that both protect the planet and improve the quality of life of its employees. We really care.

We really care



Designed, engineered, crafted **in Germany. Since 1871.**
