CONTEMPORARY  
HALL TABLE

# CONTEMPORARY HALL TABLE

The Contemporary range is manufactured in a combination of solid Victorian Ash hardwood and Victorian ash veneers. The main design feature of the contemporary range is its tapered leg, which gives it a light and trendy appeal. This range can coexist well with our timber leg seating. The Hall Tables are manufactured to the specifications required within any project, with different drawers, doors and size combinations.

## DIMENSIONS

Height	Width	Depth
850mm	1200mm	450mm
