# DIVA

With Diva, there's always more than meets the eye. Go beyond the striking wooden exterior and discover a host of ingenious design elements, each cleverly concealed within the solid timber build and die cast aluminium features.

Diva's hidden secrets include powered legs that seamlessly run wires up from the floor, while a hidden under-carriage conceals power leads.

## DIMENSIONS

Height	Width	Depth
Various	Various	Various

## SPECIFICATIONS

Available in rectangular, square or round table tops in a range of sizes

White Ash legs and Undercarriage panels are finished in Matte Raw Lacquer.

Framework is powdercoated White or Black as standard, with other powdercoat finishes available on request.
