Easy Nest Sofa

Three years into the Nest series, a new fundamental piece was added. In fact, the purpose of the Nest sofa came later, as a direct response to the use of the Nest chairs and tables. Clusters of sitting areas needed a signifier for an informal space, and a soft partition from one area to another.

Built with quality, the Nest sofa is the anchoring piece in a growing series of upholstered sofas and chairs, serving informal, accessible spaces with a distinctly rounded and sheltering dimension.

Design: Form Us With Love

Form Us With Love was founded in 2005 and since its conception, the studio has burned with a passion for design and its democratic potential. Its belief is that we all have a right to meaningful design.

At the studio's core lies a process that blends traditional creative practices with a lean, strategic application. The central intention is to evolve with the needs of each project, its place in the market and the ever-changing needs of real people.
