## GIPPS BARIATRIC

# GIPPS BARIATRIC

The Gipps bariatric chair has been designed in house and is locally manufactured. The Gipps main feature is that it has a 300Kg static weight load rating. With its solid timber frame and reinforced plys along with high density fire retardant foams we have manufactured a chair to meet the requirements of a bariatric environment, while maintaining a stylish appeal.

## DIMENSIONS

Height	Width	Depth
900mm	930mm	770mm
