High Nest Sofa

The High Nest Sofa is a soft, inviting and comfortable high sofa that literally takes the traditional lounge area to new heights. The High Nest Sofa boldly challenges the conventions of the bar stool and sofa, melting the two together to create the beautiful, upholstered high seat. The vertical nest is inspired by the way people interact with furniture in public spaces, encouraging a more social atmosphere. The high sofa is specially crafted for just the right amount of steadiness and elegance, balancing the two to create warm, inviting and comfortable seating arrangements. Steel frame available in black or grey. Part of the Nest series that comprises chairs, sofas and tables in two heights. Available in all types of textiles and leather types.
