KALLISTA

# KALLISTA

The Kallista is a stand-out piece due to its immense versatility. It is available in 3 arm styles from scalloped, standard and square along with varying leg options including cabriole to standard tapered legs. The Kallista is also available with a fully welded metal frame, heavy duty castors and a pull out foot plate. This enables it to be used as a mobile bedroom armchair that can be moved to the lounge room to reduce double handling of residents.
