

ecf | RANDOM

RANDOM

The Random coffee table is made of laser cut mild steel, powder coated in a choice of colours. The geometric design contrasts with the cylindrical overall shape of the table giving it intrigue. The Random works well in reception waiting areas as well as in break out areas.

DIMENSIONS

Height	Width	Depth
340mm	800mm	800mm

SPECIFICATIONS

New Zealand Made
5 year warranty
Laser cut 5mm metal plate

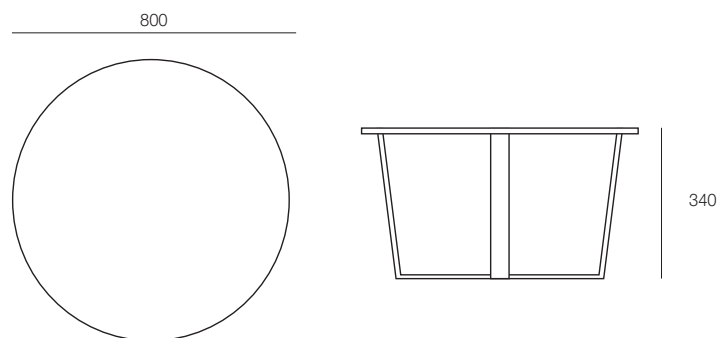

OPTIONS

Powder coated in ecf standard colours
