RIO

RIO

The Rio chair can come as a standard single seater lounge chair with a fixed or removable back cushion but its main benefit is that it can incorporate a commercial grade sofa bed with an inner spring mattress as a single or 2 seater bed. Available on standard glides, locking castors can be added making for a very versatile chair if required in a hospital or palliative care environment.

DIMENSIONS

Height	Width	Depth
780mm	1020mm	890mm
