TRILOGY

This workstation system is easily reconfigured for expansion and is available in a 55mm screen as standard rendering it AFRDI approved or otherwise an optional 30mm screen. The screen allows for versatility and flexibility. It can incorporate numerous elements from typical fabric screens to perforated metal, glass, acoustics elements, perspex and melamine.

OPTIONS

Desk-top options: Straight, L shape, 90 degree or 120 degrees

Screen options: Fabric, perforated metal, laminate, timber veneer, glass. Angled & custom screen option in 55 or 30mm. Powder coated in standard Dulux colours

Cable management options: cable segregation, mid/modesty or base ducting with power blades or power poles, umbilical & cable tray reticulation options. The cabling is concealed for a clean appearance with a supplied service plate to mount GPO outlets and data outlets.

Leg options: H frame back-to-back

configuration and free standing C-Leg

Sit to stand options: Fixed height, user adjust or electric sit to stand.
