Cable Management options

FEATURES

Cable cutout on table top - scallop
Allows underdesk cables to reach desktop.

Included in all versions of the below Booths:
RB-2HB2-SS
RB-2HB3-SS
RB-2HB2-EE
RB-2HB3-EE

Underdesk tray
Keeps monitor and power cords secured and static below desktop. This means less risk of damage to the cords because they don't move when the desktop is adjusted. This offers a tidier solution with most cables secured under the desktop.

Included in the below Booths:
RB-SH-HB2-SS
RB-SH-HB2-SS-P1

Underdesk Cable Sling
Provides streamlined cable management for cables underneath the desktop. Power outlets are also mounted to the underside of the desktop.

Included in the below Booths:
RB-2HB3-EE-P3
RB-2HB3-EE-AR-P3
Optional extra for all other booths

Cable Sleeves
Neoprene cable sleeves can be added to carry power and data cables between the floor and tabletop.

Optional extra for all booths
