## Single + Side by Side

### Upholstery Configuration:

- A Fabric
- B Fabric

On a curve, A is the inside of the curve and B is the outside.

Note: 1370W+ fabric unless you do a custom size straight or corner that is larger than the standard sizes on this page.

Fabric is run sideways. This may effect some fabrics with a pattern.

# Retreat Focus

## Zig Zag - Left Hand Entry

### Upholstery Configuration:

- A Fabric
- B Fabric

On a curve, A is the inside of the curve and B is the outside.

Note: 1370W+ fabric unless you do a custom size straight or corner that is larger than the standard sizes on this page.

Fabric is run sideways. This may effect some fabrics with a pattern.

## Zig Zag - Right Hand Entry

### Upholstery Configuration:

- A Fabric
- B Fabric

On a curve, A is the inside of the curve and B is the outside.

Note: 1370W+ fabric unless you do a custom size straight or corner that is larger than the standard sizes on this page.

Fabric is run sideways. This may effect some fabrics with a pattern.

## Pods

### Upholstery Configuration:

- A Fabric
- B Fabric

On a curve, A is the inside of the curve and B is the outside.

Note: 1370W+ fabric unless you do a custom size straight or corner that is larger than the standard sizes on this page.

Fabric is run sideways. This may effect some fabrics with a pattern.
