ORLANDO OUTDOOR TABLE

ORLANDO OUTDOOR TABLE

The Orlando Table is an injection-moulded resin table. The aluminium frame covered with semi-UV-stabilised polypropylene will never unravel, rust or decay, and with rattan edges it matches the rattan chairs. The Orlando Table is designed for shaded outdoor use only. Strong yet lightweight, this table will add class to your facility. Its sleek profile is pleasant to the eye so this table is as charming as it is functional. Very easy to clean, just hose it down. Always keep shaded, this table is not recommended for areas in direct sunlight.
