LORA

The Lora chair offers the perfect balance of comfort, hygiene, and durability for healthcare environments. Crafted with a solid European Beech frame made in Italy and upholstered locally in Australia, it delivers exceptional quality and reliability. The gentle curved back and supportive seat promote comfort for patients, residents, and staff alike, while the clean, contemporary lines suit a variety of healthcare interiors. Designed for easy maintenance and long-term performance, the Lora chair brings warmth and sophistication to waiting areas, cafe and dining rooms, and staff spaces.
