GEMBROOK

GEMBROOK

The Gembrook is a signature healthcare solution defined by its generous proportions and exceptional support. The seat provides ample space and accessibility, making it an ideal choice for breastfeeding facilities and maternity wards. Its thoughtful design balances clinical utility with a welcoming, residential aesthetic that transitions seamlessly from communal lounge areas to private bedrooms. Part of a versatile range that includes multi-seater configurations, the Gembrook remains a preferred selection for aged care environments. This long-standing favourite continues to deliver a high standard of comfort and reliability for specialised care settings.
