

One Device. Any Space.

ARTOME

Artome S1 / S2

S1 and S2 are installation-free AV solutions that turn any space for collaboration, with S2 adding hybrid and advanced audio features for multipurpose use.

Artome X12 / X10

An installation-free AV solution designed for high-impact use. It delivers powerful visuals and sound in larger spaces, while the adjustable projector angle allows for flexible image placement on the wall.

Artome X20

An installation-free solution designed for maximum performance in the most demanding large-scale environments. It delivers powerful visuals and immersive sound for large audiences.

MEETING ROOMS

Everyday collaboration, hybrid meetings and internal presentations without fixed AV installations.

SHARED AREAS

Welcoming visitors, internal communications and flexible information displays.

EVENT SPACES

Town halls, corporate events and large-scale presentations made simple.
